EXODOR by Faham Doors

Exterior doors serve as the entryway to your home, providing security and protection from the outside world while also creating a welcoming first impression. Exodoor by Faham Doors come in a variety of styles, materials, and finishes, allowing you to choose a door that reflects your own personal style and complements the overall design of your home.

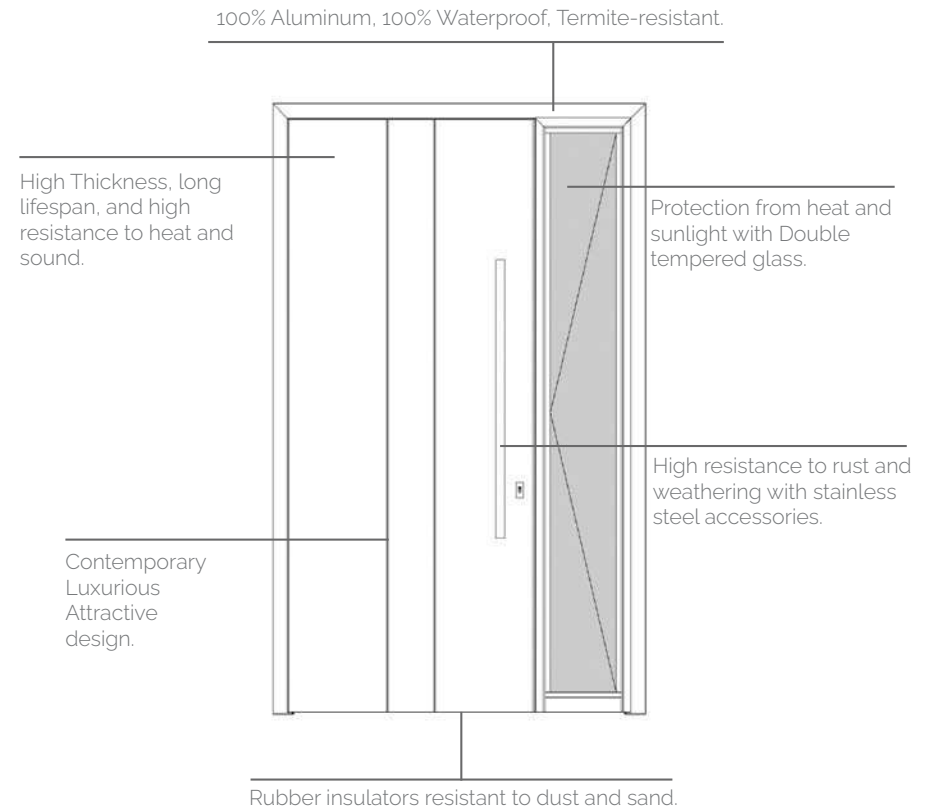

EXODOR Specifications

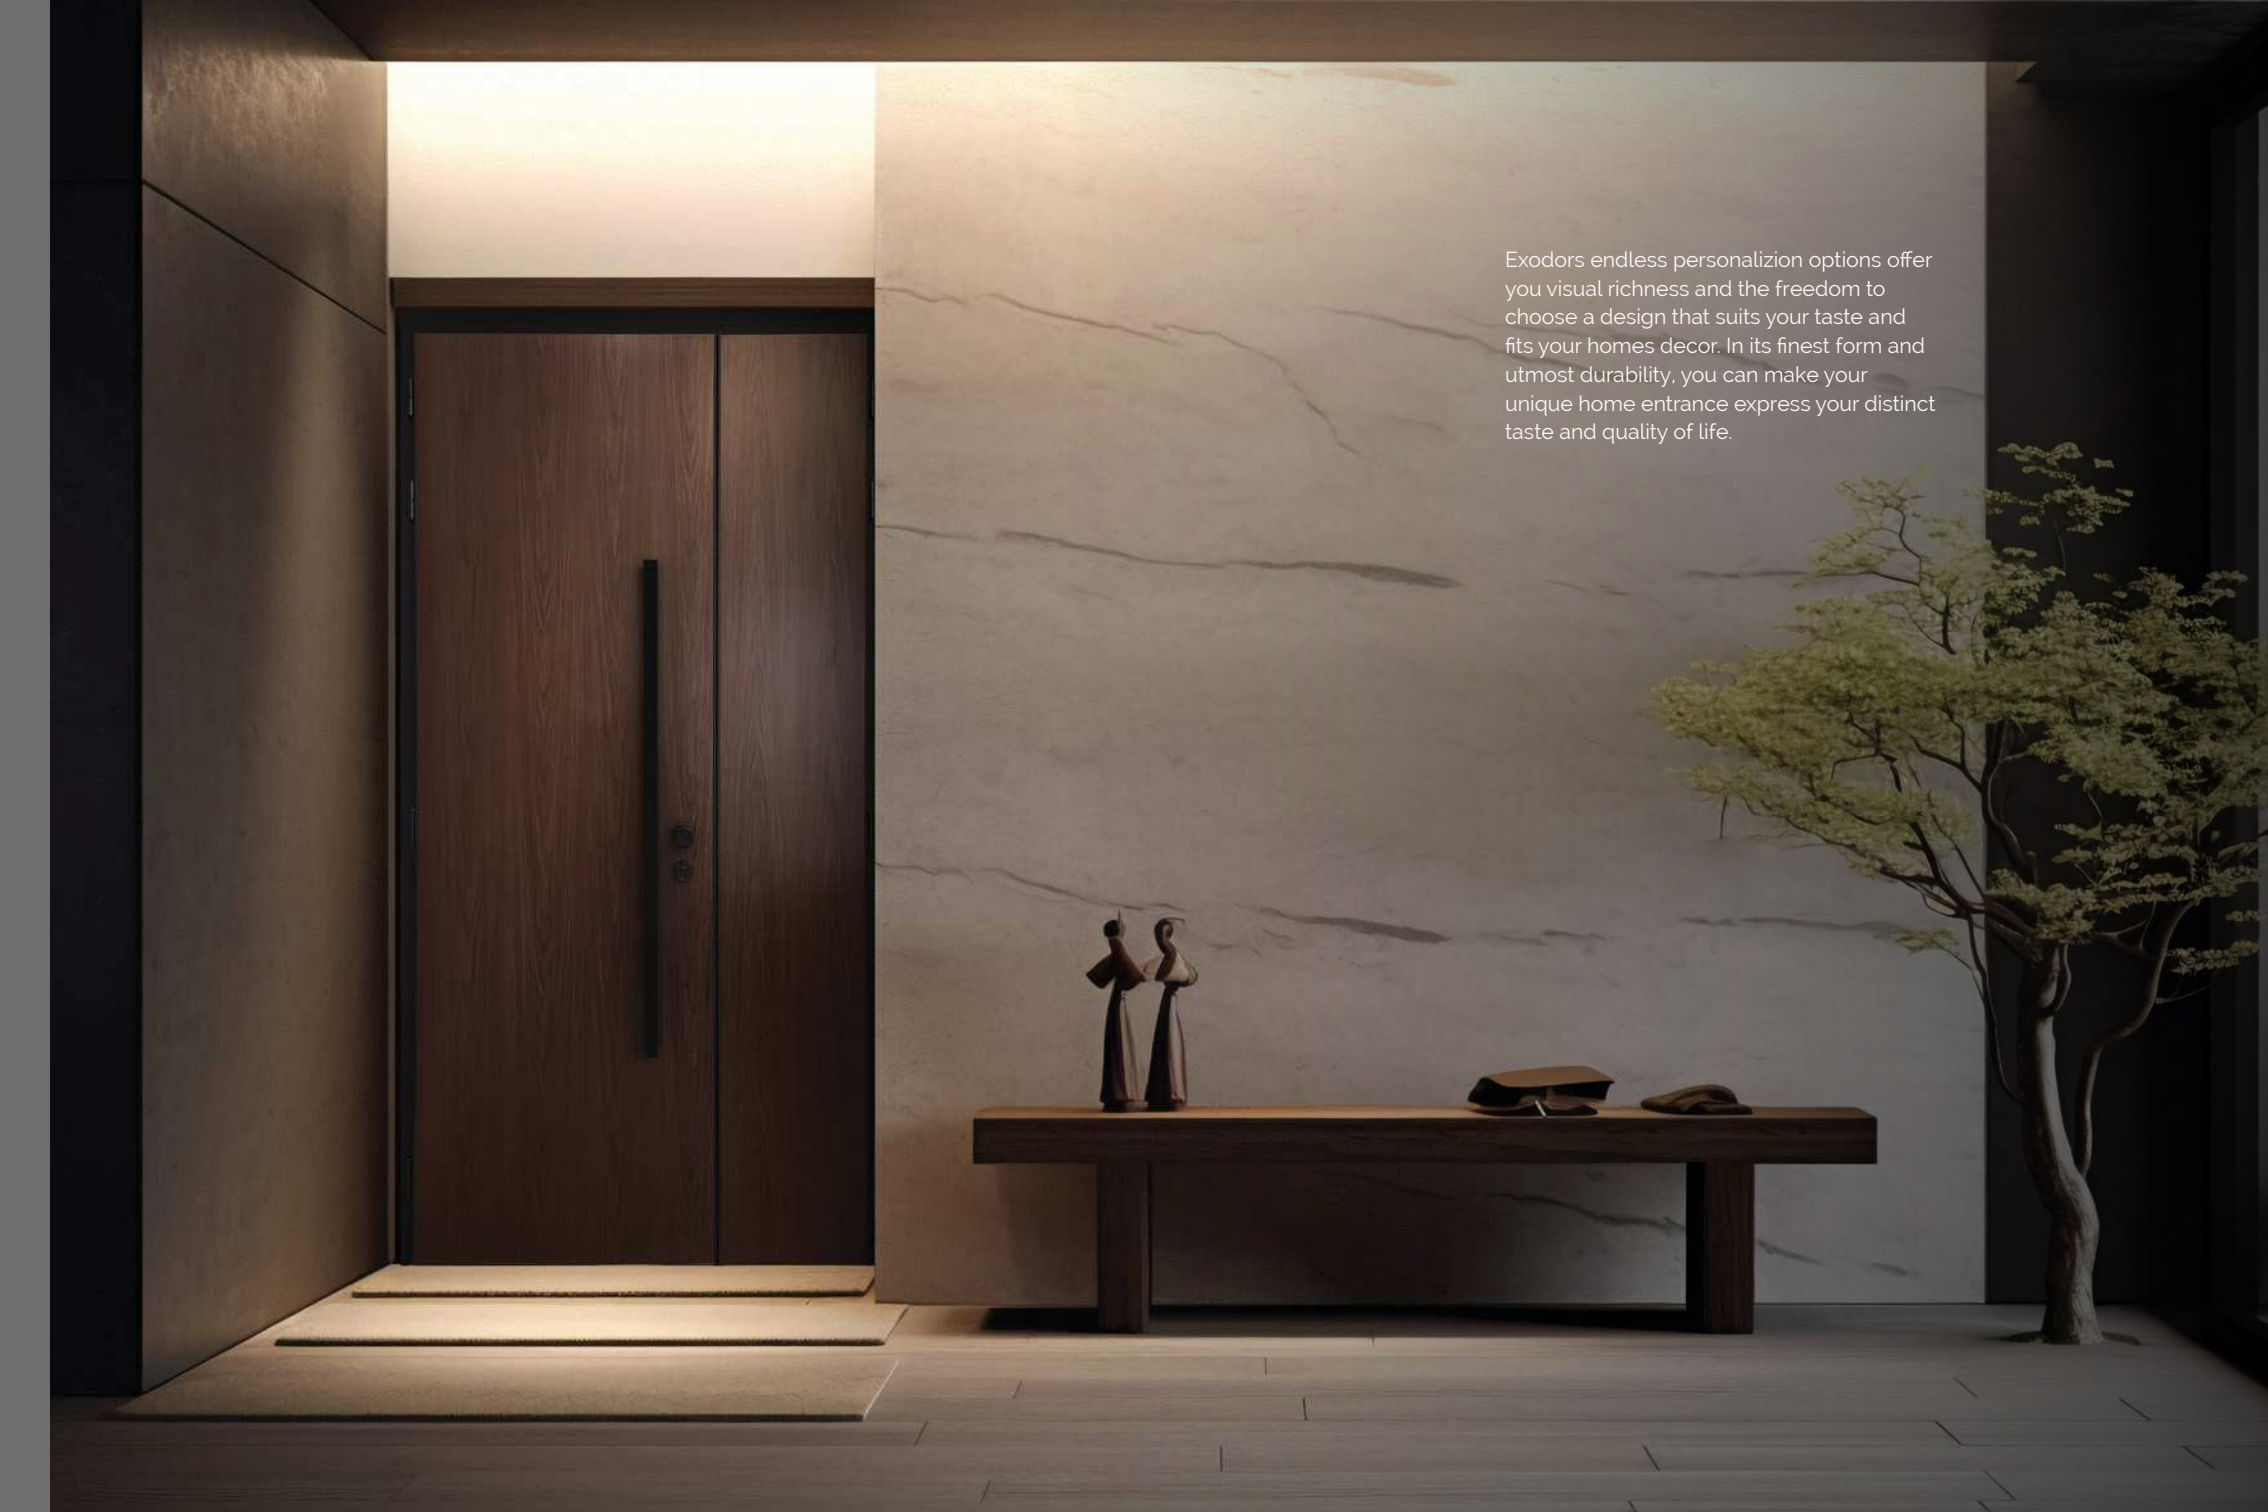

100% Aluminum is essential for the GCC. A strong Condations aluminum frame ensures durability and robustness. Double glazed glass provides excellent heat resistance and sound insulation, making it the ideal choice for the region.

EXODOR Features

- Water Proof
- Termite Proof
- Heat Insulating
- UV light Resistant
- Tempered Double Glass
- Dust Insulating
- Flame Retardant
- Sound Insulating

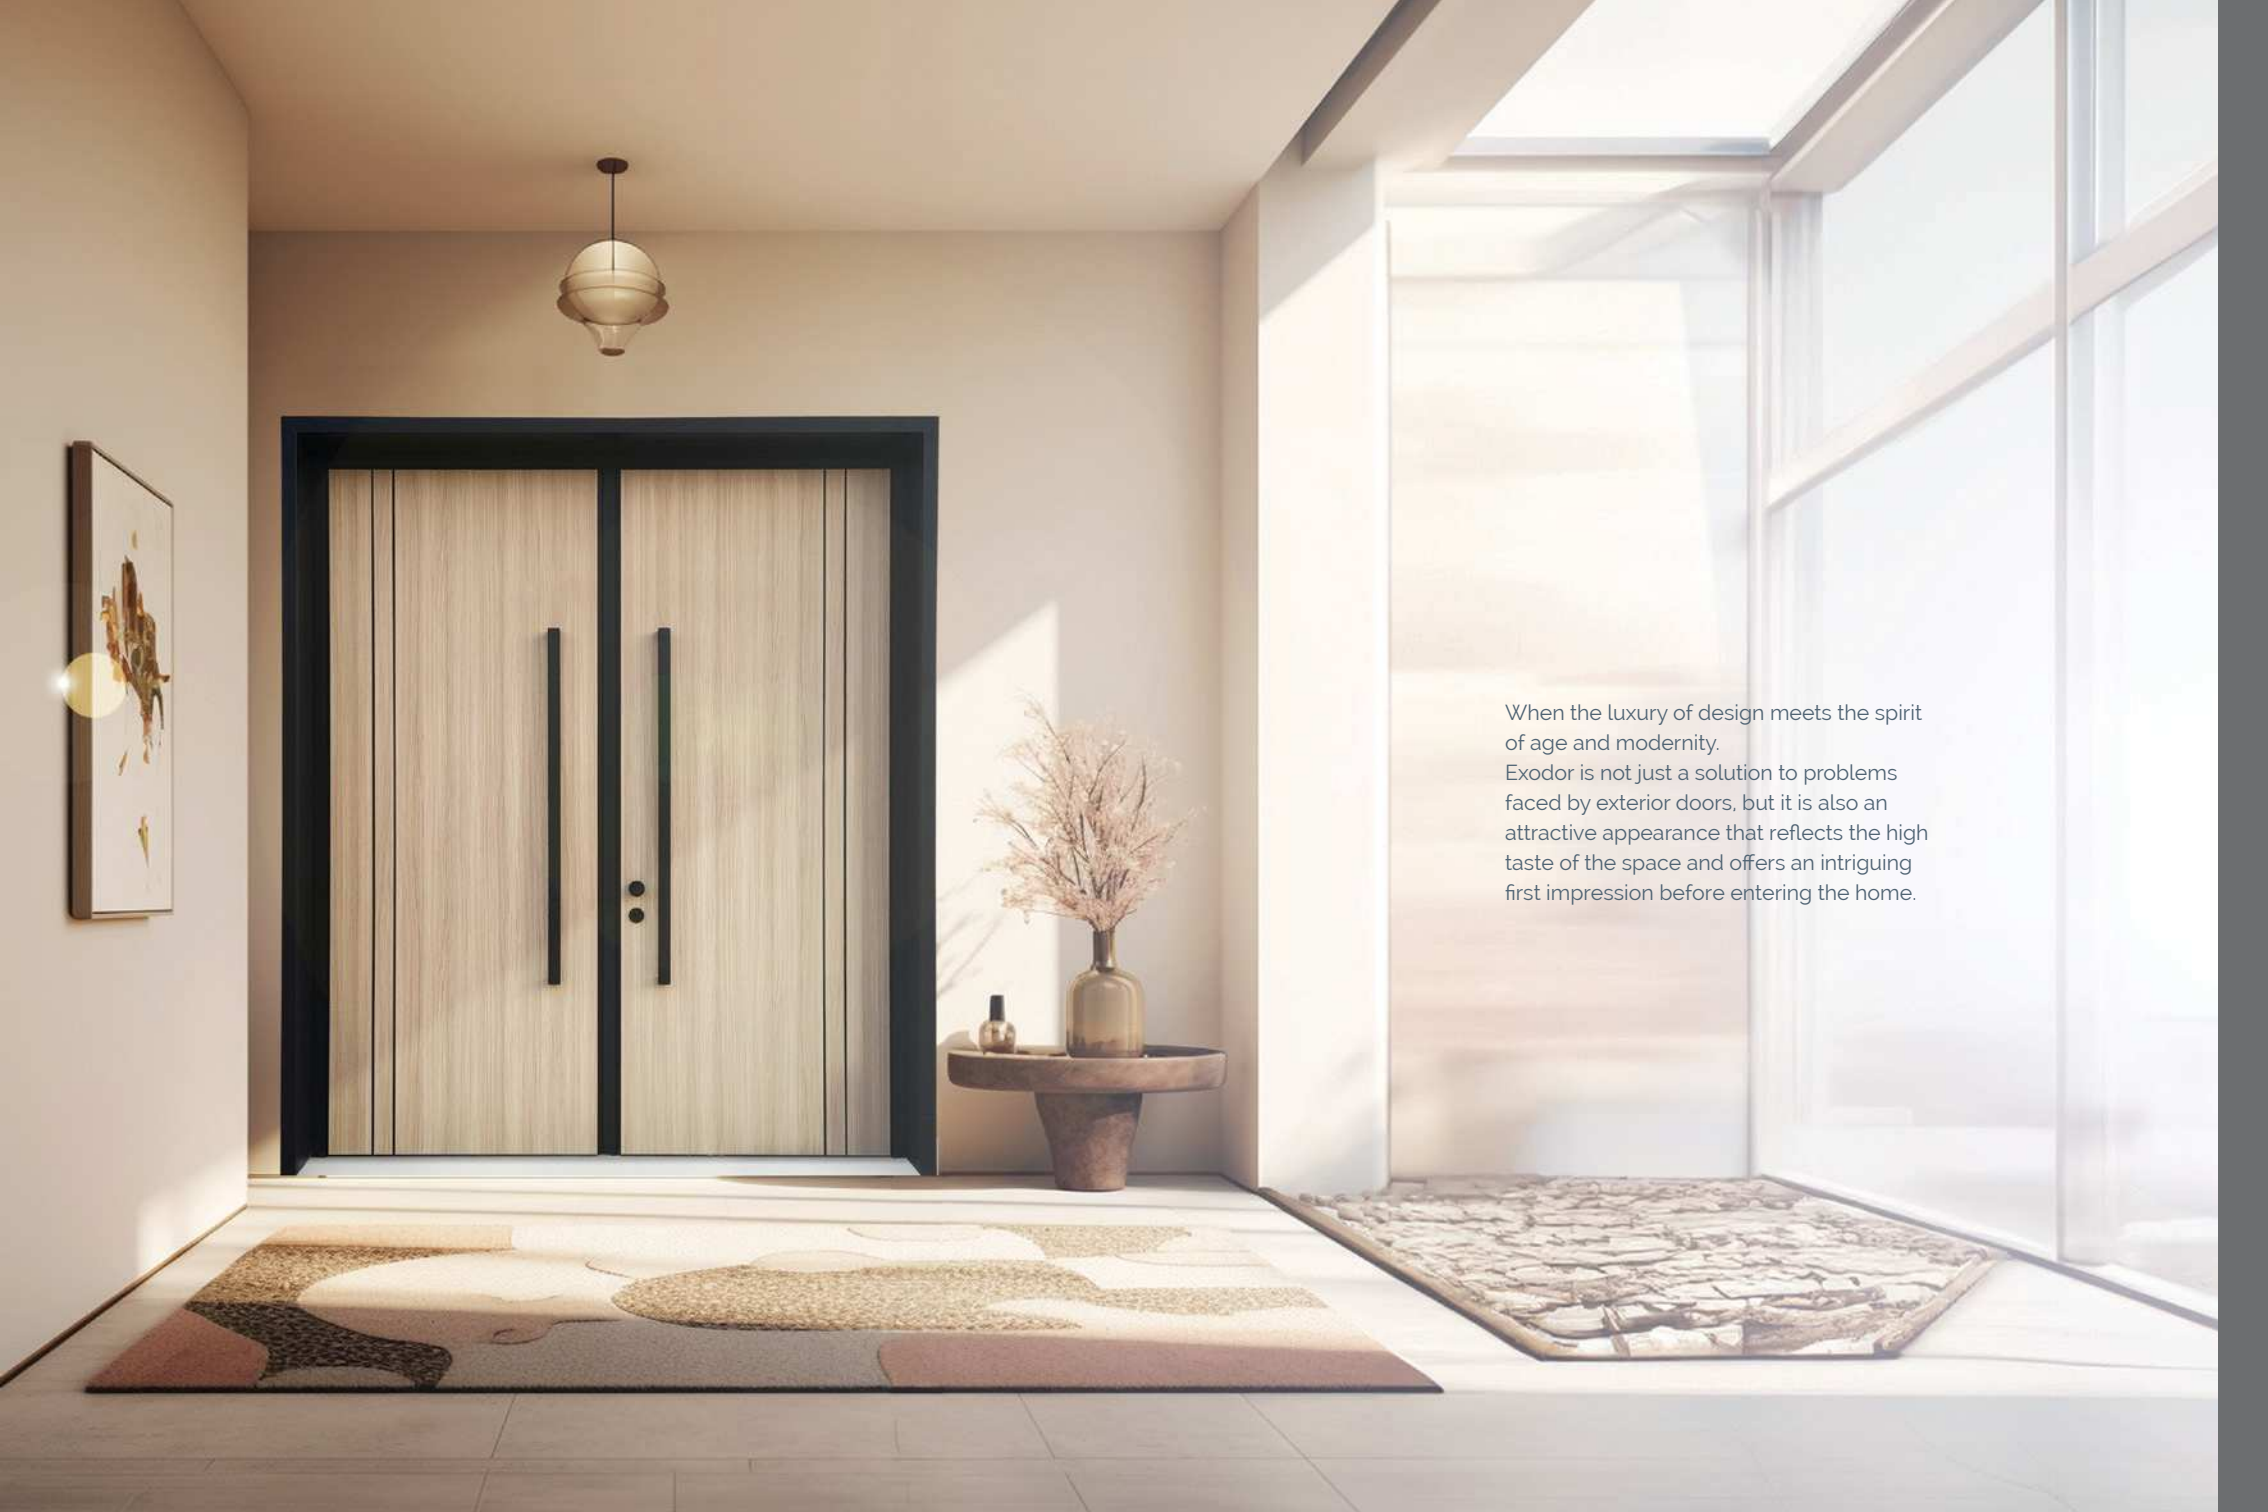

A modern interior space featuring a dark wood double door with a vertical handle and lock. To the right is a wall with light-colored, veined marble. In front of the wall is a long, low wooden bench with two legs. On the bench are two small, dark, stylized human figures and a pair of shoes. To the right of the bench is a small, leafy tree. The floor is made of large, light-colored tiles. The lighting is warm and focused on the door and bench area.

Exodors endless personalization options offer you visual richness and the freedom to choose a design that suits your taste and fits your homes decor. In its finest form and utmost durability, you can make your unique home entrance express your distinct taste and quality of life.

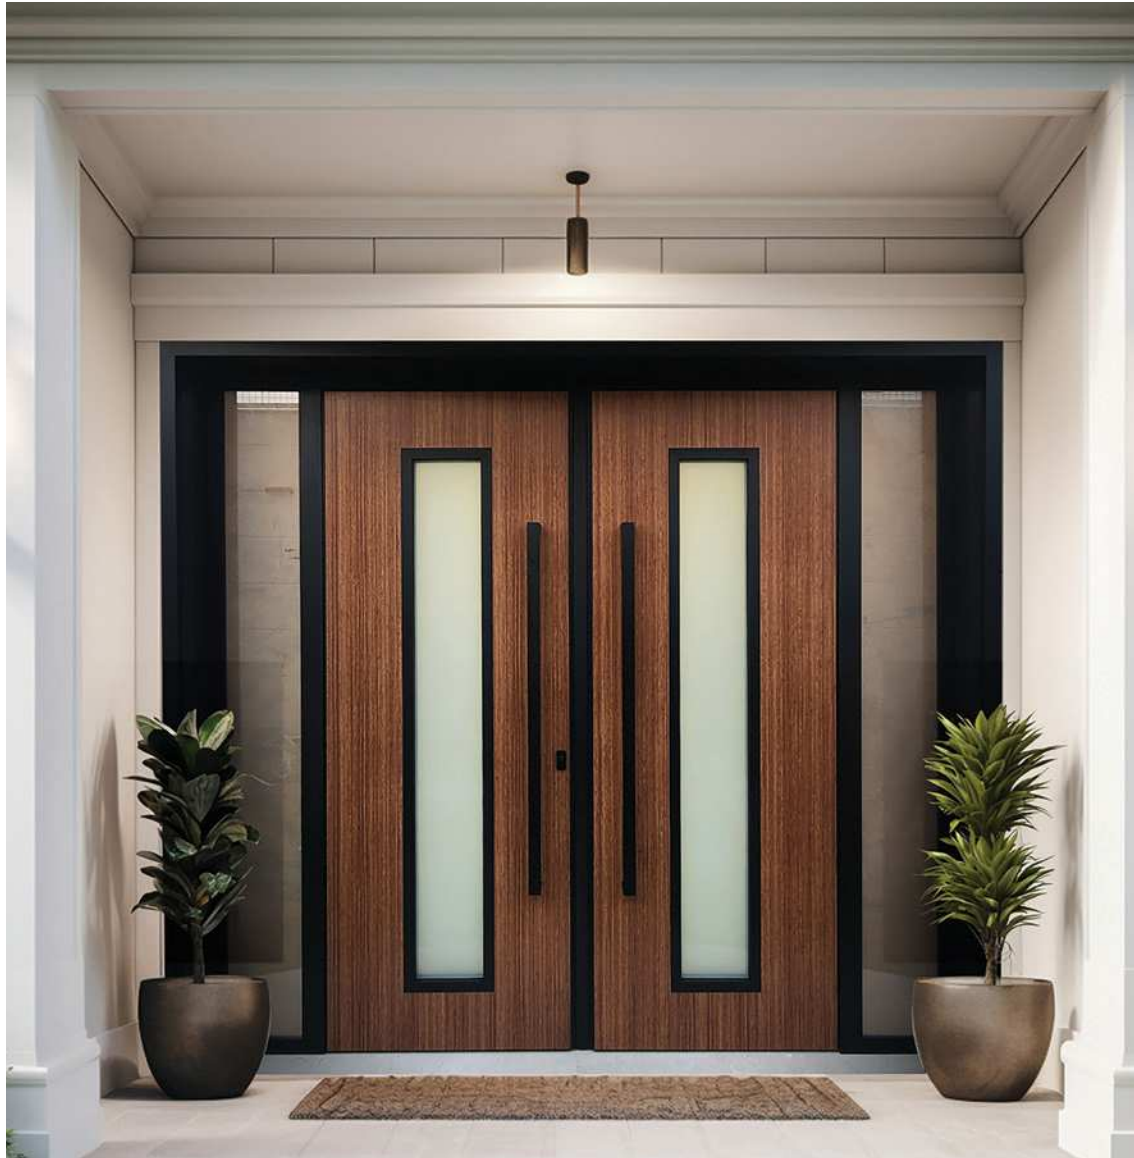

When the luxury of design meets the spirit of age and modernity. Exodor is not just a solution to problems faced by exterior doors, but it is also an attractive appearance that reflects the high taste of the space and offers an intriguing first impression before entering the home.

With customer satisfaction always at the heart of everything we offer, Faham Doors is devoted to developing products designed for customer needs & desires. Exodor is a product carefully and meticulously designed as a result of years of experience, research, and science.

All Homes deserve Exodor. You can now have the exterior door that your home deserves, one that expresses your personality, provides luxury and quality and presents the most beautiful appearance you wish to be seen even before entering your home.

Make it yours. You can choose the design, color, and size that fit your home. Exodor offers endless options, always meeting your aspirations and the design you envision.

Exodor is a modern, distinctive, and impressive door that offers all the features necessary to customize it to your style, perfectly complementing the aesthetic of your dream home.
