LINEA

By Faham Doors

Linea doors are an ideal choice for kitchens due to their practical and distinctive design. These doors are designed to be waterproof, ensuring their resistance to moisture and steam commonly found in kitchen environments, thereby maintaining their quality and durability over time.

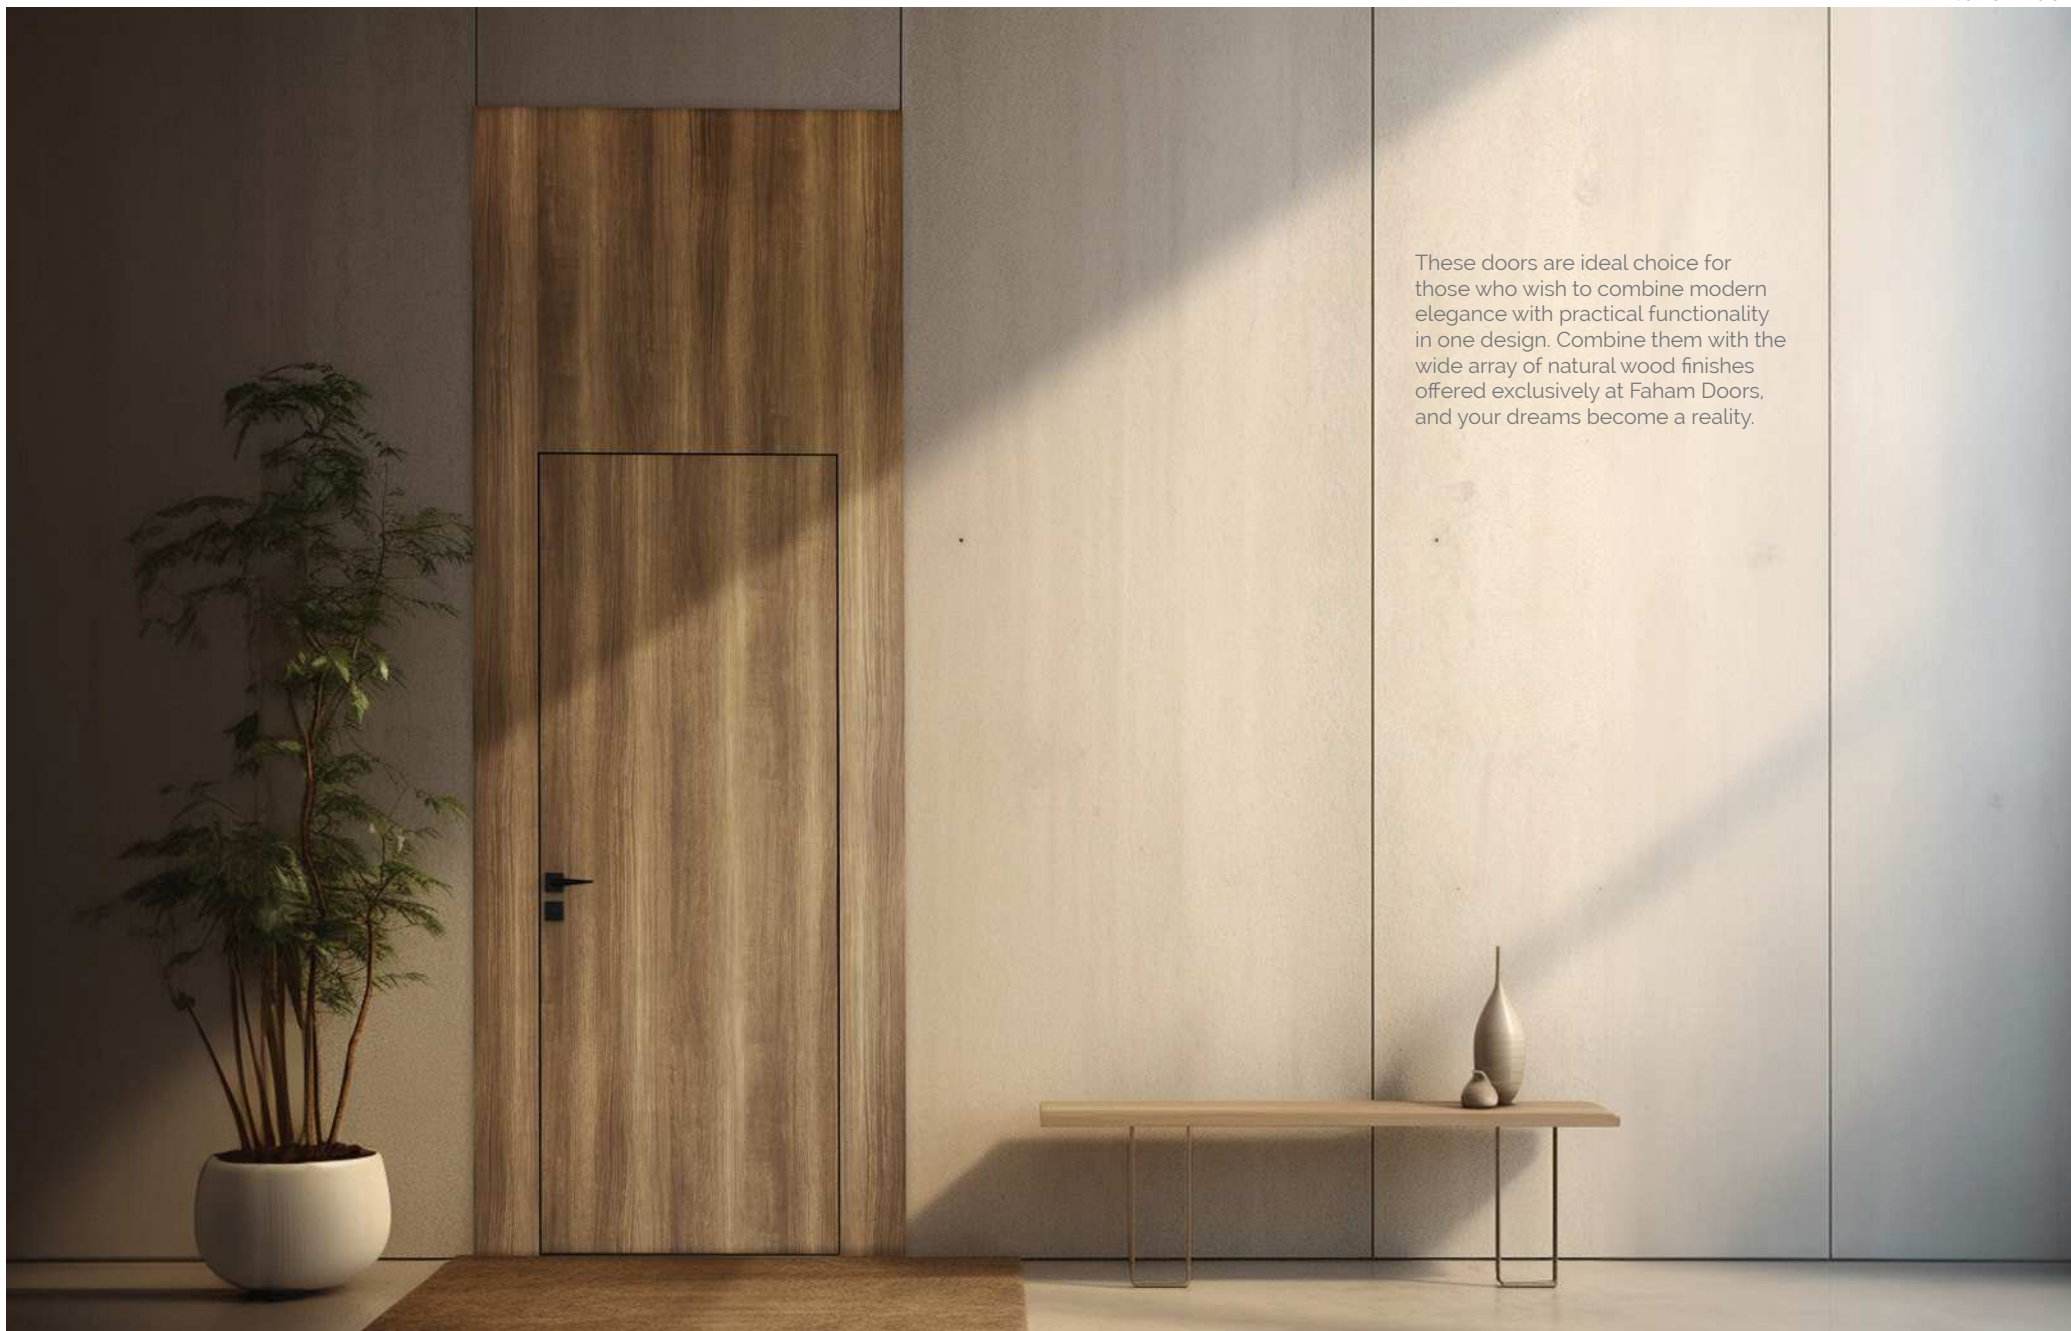

Linea doors feature Antibacterial properties, enhancing bathroom cleanliness and contributing to a healthy and safe environment. With these advantages, Linea doors are the perfect choice for all bathrooms, combining beauty and functionality in one design.

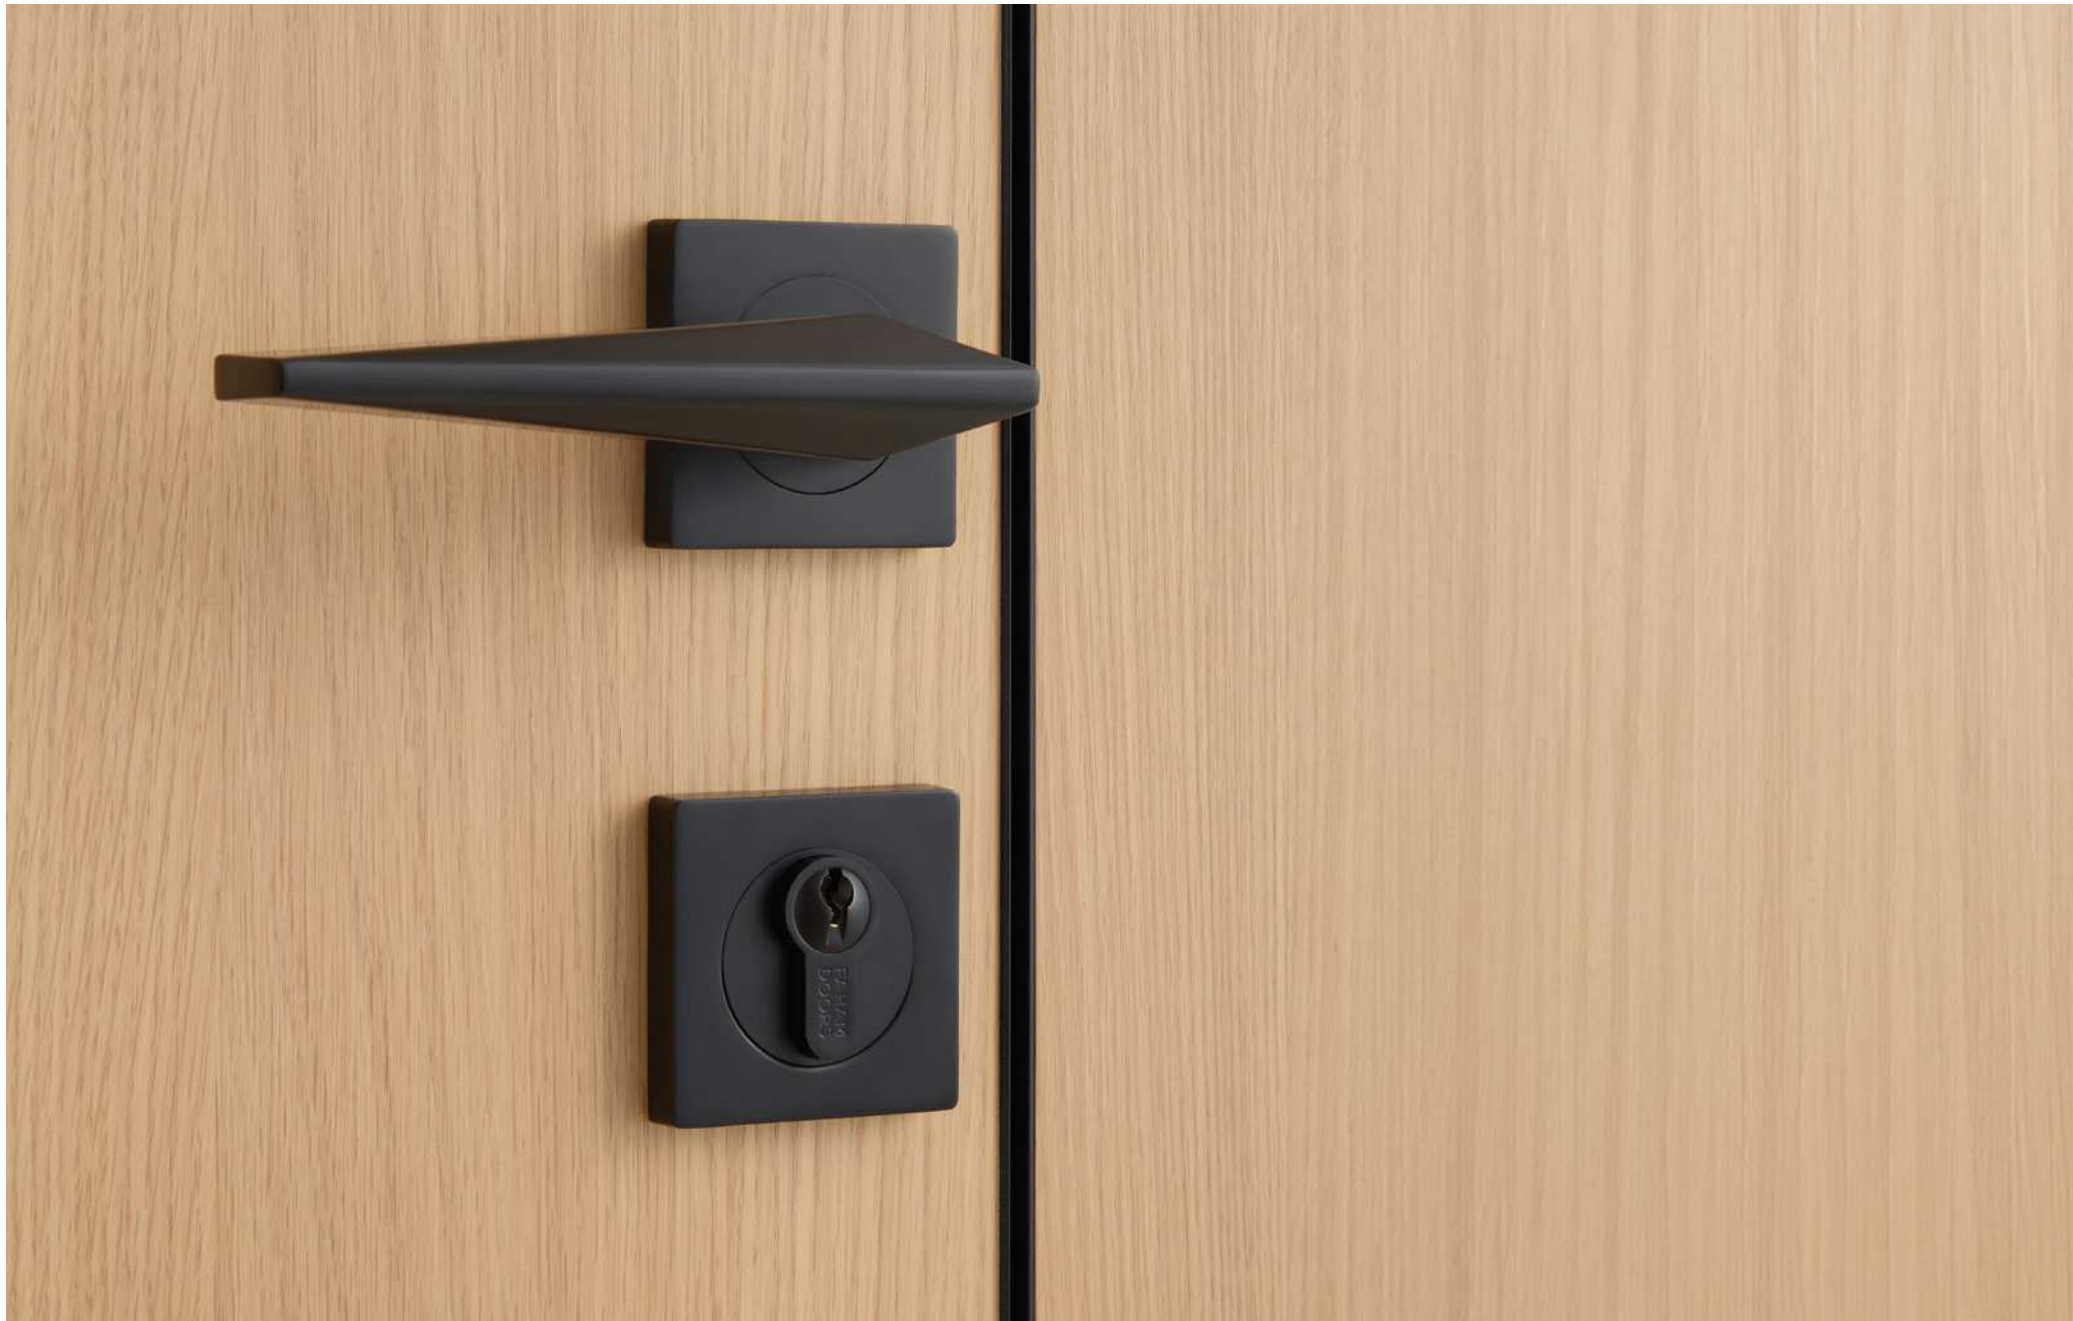

All Faham Doors interior doors are Antibacterial. This makes them the perfect option for your family, always providing them with the safest and most sustainable solutions to grow and foster in the best environments.

These doors are ideal choice for those who wish to combine modern elegance with practical functionality in one design. Combine them with the wide array of natural wood finishes offered exclusively at Faham Doors, and your dreams become a reality.

On the outside, the door is flush with the wall and opens inward; providing a minimalistic and modern design & functionality. Cladding on the wall around and on top of the wall is always an option to create a seamless design.

Linea doors can add a touch of striking classic interior design to any space. With their fine details and high-quality materials, these doors highlight the beauty and elegance of modern design, making them perfect for homes seeking luxury and allure.

Linea M doors are also suitable for offices and businesses, adding vitality to the space and providing a touch of art to the design in a simple and eye-pleasing manner.

Through the accessories collection at Faham Doors, we have ensured that you can customize your doors to suit your taste and preferred design.

Interior Doors **Finishes**

Natural
Wood Finishes

COMFORT WHITE

Comfort White evokes a sense of tranquility, serenity, and purity. It's like being enveloped in a soft cloud, providing a soothing and calming atmosphere. It radiates simplicity and elegance, creating a timeless and inviting space. It goes well with classic or modern style.

WHITE ASH

White Ash has a sophisticated natural white color that creates a clean space. The hints of warm tone develops a space of well-being that allows it to be the next standard after oak and walnut. It is versatile, effortlessly complementing a range of design styles from modern minimalism to rustic chic.

PRIMARY OAK

Primary Oak is a classical feeling, but timeless. The modern knotless wood Decor with colorcoordinated stripes is an easy-to-use layout, and makes it a practical choice for any space which can be used for a long time without being influenced by trends.

RAFFINE CHERRY

Raffine Cherry represents nostalgia and modernity. Solid delicate cherry planks are the basis of this structure. The deep medium natural color of cherry wood matches the recent interior trend Retro.

JUPITER OVANKOL

Jupiter Ovankol is a stylish wood grain that has a multi colored striped pattern that coordinates well with a variety of materials. It is a new medium standard design for material mix arrangements.

ARCTIC WHITE

Arctic White evokes a sense of purity, simplicity, and understated elegance. It's a texture that combines the clean, pristine appearance of white & the subtle natural patterns and grains found in materials like wood or stone

SWING OAK

Swing Oak is a well-balanced layout of characteristics that presents an elegant oak and natural feelings. It is clean, rustic, but can also be used universal. It impresses with flowers, accentuated knots, and subtle white spaces bringing power.

EURO ASH

Euro Ash represents modern Scandinavian taste that creates natural and smooth expressions. Heavy brushing gives this blond wood a slightly rustic yet elegant look. Also, the application of a soap finish coating gave it a natural rich wood texture.

AUTUMN CHESTNUT

Autumn Chestnut has a natural texture that embodies the rich warmth and earthy elegance. It exudes a sense of comfort and familiarity, and brings a touch of rustic charm and organic beauty to any space.

LINDO ACACIA

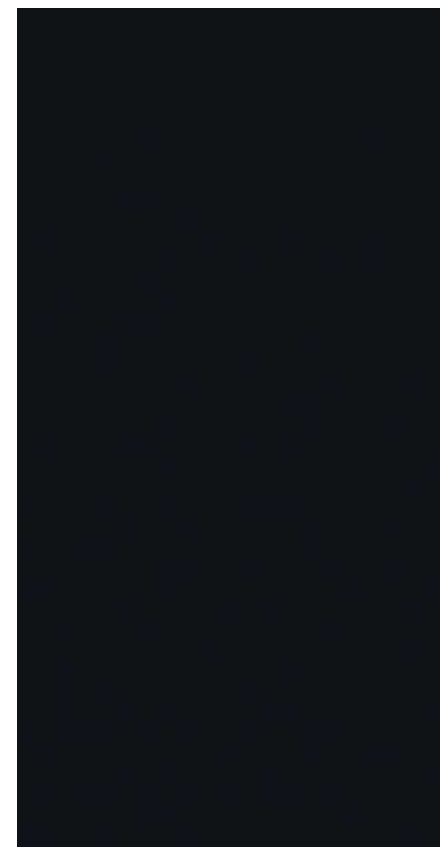

Lindo Acacia has a tropical image that brings a resort atmosphere. It expresses deep color, strength while appearing lively and harmonious at the same time. Instead of giving a rustic feel, it elevates the decor to create a luxurious ambiance.

MARGARET ELM

Margaret Elm features well balanced flowers that creates a healthy impression. Combining with green interiors, you can create a brighter and calmer space. Although it is a neutral beige white item with a formal layout, it has a high-quality design with Elm's unique texture and silky expression.

NIGHT BLACK

Night Black is versatile, complementing a wide range of design styles from modern and minimalist to classic and opulent. It can be paired with vibrant colors for a striking contrast or used alongside metallic accents for a touch of luxury.

SUPREME WALNUT

Supreme Walnut is a timeless and serene wood that evokes nostalgia. The color play and the depth of the walnut were emphasized by sandpapering and a matt varnish.

The result is a new classic and elegant texture. Although it is a simple layout, it brings out the distinct features of walnut, demonstrating a sense of strength.

MARINE OAK

Marine Oak is a straight grain layout with comfortable fluctuation. The subtle brushing and slightly smoked tone gives the fine oak decor a personality. The floating structure emphasizes the texture of oak, giving it a natural feel that welcomes you openly.

LUX ANIGRE GRAY

Lux Anigre Gray offers a light, subtle wood grain texture in soft gray tones, perfect for creating a calm and modern aesthetic. The natural pattern provides warmth and balance, making it a versatile choice for both contemporary and minimalistic designs. Its neutral yet elegant appearance complements various interior styles, adding a touch of refinement to any door.

STELA ELM BLACK TANGLE

It combines the elegance of deep black with subtle wood grain textures, creating a sophisticated and modern aesthetic. Its rich dark hue evokes a sense of luxury while maintaining a natural elm pattern that adds warmth and depth to any space. Ideal for those looking to make a bold yet refined statement.

VINTAGE WALNUT

Vintage Walnut is made with exotic walnut that has strong characteristics of differentiation. However, it is a formal design layout made from high quality classic walnut. An easy-to-use option that goes well with any space, and a design that can be used for a long time as a new impression of modern vintage.
